Dedication

In loving memory of
Durwood Shirley

Coach Shirley worked for East Central School District for 27 years as a teacher, coach, bus driver, and director of transportation.

"His heart followed those kids wherever they went," said Mrs. Juanita Baria.

"He was a man who dedicated his whole professional life to East Central. He demon-

strated daily his love for East Central," commented Mr. Tim Anderson.

Coach Shirley was an example and role model for each one of us. "All of his hard work, compassion, and leadership will be greatly missed.

*Making Our Mark
May 28, 1993*

*What a year it's been,
And now it's OVER!
What happened?*

*I guess it's been a
Year of changes
in me... (for me)...*

But what have I changed?

What mark have I left behind?

*Looking back I remember
Riding to school anxiously*

anticipating the

*FIRST DAY Then foot-
ball games, laughing friends,
Christmas, Valentine's secrets,
Mardi Gras parades, a "Spring
Break" of SNOWMEN
instead of SANDCASTLES.*

*Then ALL I wanted was
OUT!*

Then I was-

and it was over-

*(where does that leave me?)
Lazy afternoons with
friends,*

*Vacations with family,
But what happened
Between August & May?*

DID

WE DID!

*I see now
I've been coming and going,
giving and taking,*

*looking and finding,
breaking and mending,
and in my own way
LARGE (at times)*

or small

I have been here;

*I have been
MAKING MY MARK.*

A Special Honor...

Besides having a very successful softball year, Terri Bailey has received the unique distinction of being named the top softball coach in Mississippi.

"This is really an award for my team. I couldn't

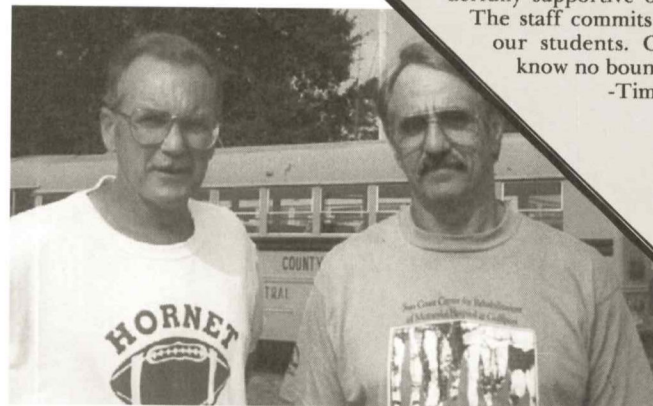

have done it without my players. They are the ones that are responsible for it."

Terri Bailey

"We have much to be thankful for at East Central High School this year. This community is wonderfully supportive of all our school programs. The staff commits more time each year to our students. Our students seem to know no bounds in achievement."

Graduation Night

On Monday, May 31 the seniors arrived at the high school at 6:30 p.m. for pictures. Though rain threatened to move graduation inside, we were blessed with pretty weather, and graduation was held at the football field. It was standing room only by 7:15. At 8:00 the procession began, and Mrs. Nelson sang "The Star Spangled Banner." Then many scholarships were presented by local businessmen, military officials, Mr. Anderson, and Mrs. Hinton. Hall of Fame and top graduates were announced. Leading the class were **Tabitha Cook**, Valedictorian; **Stacy Vaughn**, Salutatorian; **Tracey Buckley**; and **Casey Pederson**. The invocation was given by Mr. Lucas, and seniors and guests were addressed by several speakers such as

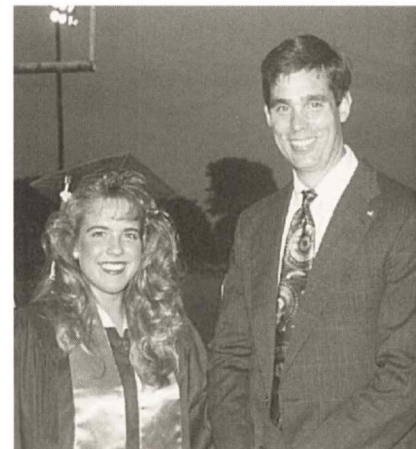

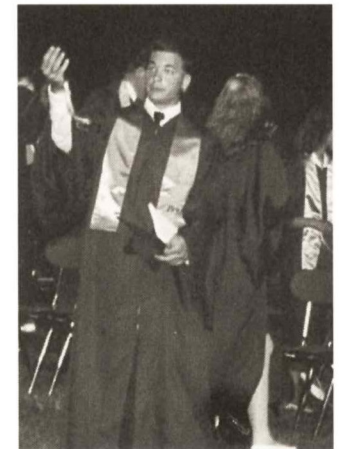

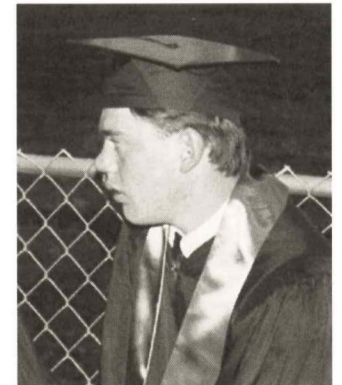

Tabitha Cook, Stacy Vaughn, and most touching was when Mr. Robinson reminisced the highlights of the year.

Mr. Lee congratulated the graduates and awarded diplomas as Mr. Anderson called the

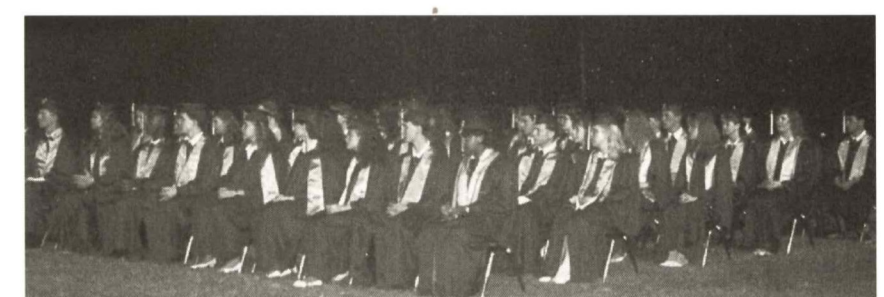

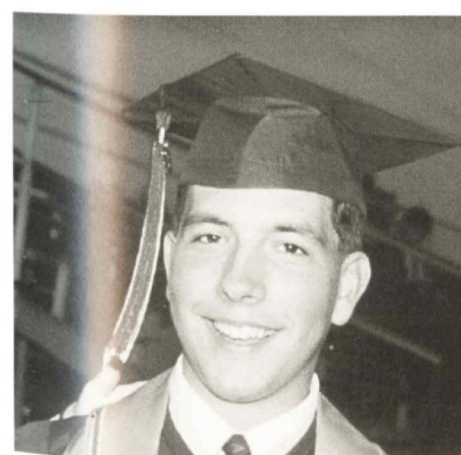

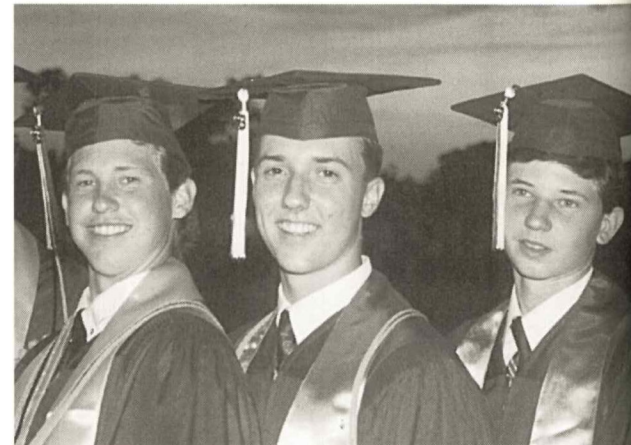

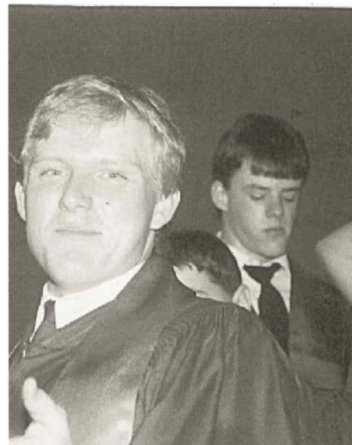

107 names of the graduates. In closing, Mrs. Nelson sang "Friends Are Friends Forever." After the traditional toss of the caps, seniors said their goodbyes and stepped out to **make their marks** in the world.

- Tearfully, Stephani Goff says goodbye to a friend after graduation.
- Tabitha Cook gives valedictory address.
- Tim Brooks sits waiting for the call to line up.
- Stacy Smith receives his diploma from Mr. Lee.

- Ashley Rich straightens Mark Hall's tassel.
- Susie McNeal waits for the procession.
- Desi Baker reluctantly allows Mrs. Hollinghead and Mrs. Tanner flatten her mortar board.
- Kim Shattles says goodbye to Mr. Anderson.
- Shane Scarbrough says goodbye.
- Tony Sherman, Jason Sigfried, and Damon Smith are ready for graduation to begin.

- Pete takes a bow after "stealing the show" by turning a cartwheel.
- Drew Marshall is ready for what lies ahead.
- Students listen intently to Mr. Robinson's speech.

"I hate peanut butter!"

Who has long blonde hair, baby blue eyes, and a great personality? No...not Christie Brinkley...It's Laila Pederson! Laila is from Denmark, and naturally this makes everyone curious.

We asked Laila what she thought about some things in America like Mardi Gras, the people (especially in the South), the food, everything. When asked what she thought of her first Mardi Gras parade, Laila replied, "It was like a two week party! It was really wild; people were dancing in the streets." Laila also told us that she loved the South. "The people treat you nice even if you are from another country." When asked about school she said, "The difference between the schools here and the ones in Denmark is that students graduate in the ninth grade, and they go to a specialized college for their chosen profession. Schools here are also much more disciplined than the ones back home." When asked what she disliked most in the United States she replied, "I hate peanut butter." Laila's best thoughts of America are Disney World, Pizza Hut, and the mall.

SWEETHEART BALL

This year's Sweetheart Court renewed the tradition of selling candy grams and balloons before Valentine's Day. Their escorts were assigned the task of gathering extra change from their fellow classmates with their decorated containers. After all the hard work, the girls made it through the week and were beautiful on Friday night. The girls who raised the most money during the week were chosen as Sweethearts out of their grade, and the girl with the most money raised out of all the classes was named as the 1993 Sweetheart Queen. The Sweethearts for 1992-93 were: Randa Barfield, Mellisa Almond, Farah Ehlers, and Pam Hollinghead. The 1992-93 queen was Kim Dowdy. Kim Dowdy said, "I was very excited when I received this honor because I worked very hard."

The Student Council of East Central is responsible for conducting all student elections, such as Homecoming and Who's Who. They are also responsible for coordinating the Homecoming Parade and half-time presentation of the Court. The officers of the Student Council are elected by the students of the high school. They represent the opinions, needs, and wants of their classmates. At least once during the year the Student Council is given the opportunity to present new ideas for change to the School Board. The officers are vital in the effort to assure that the students of East Central are well represented and informed of the changes being made to improve their education.

"The purpose of Beta Club is one of achievement, dedication, leadership, and service." - Mrs. Donice Smith

Mrs. Smith, sponsor, walks slowly to class as she looks at the new annual.

BETA CLUB is a club for students maintaining a 93 or above average in all of his/her classes. The goals of the club this year were to lead and serve others. Leading others through their own personal example is one of highest priority.

On December 10, 1992, the BETA club held its annual induction ceremony.

After all the work of setting up and the preparation for the service was complete, a feeling of accomplishment was felt by all veteran members of the club. One comment from a new member after the service was typical of all new members. He said, "Now I feel so smart and dignified."

Jenny Brown, member, spends extracurricular time as a cheerleader.

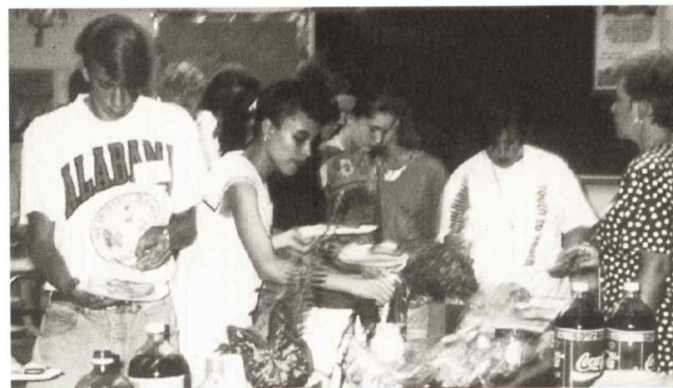

NATURAL HELPERS

Teen-agers today face many problems, but instead of turning to an adult, many teens turn to their peers hoping they will understand their situations and provide some solutions. The Natural Helpers program is all about helping students help themselves and their friends. "The best part about Natural Helpers is that it takes students that are already helpers and trains them to be better helpers," said Mrs. Hinton.

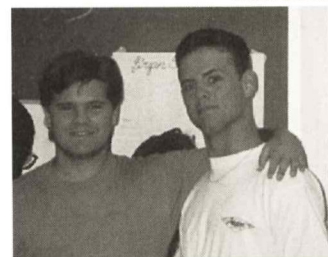

In closing, we at East Central will miss Mrs. Hinton, who will be directing a drug prevention program for the county, and we wish her well.

"The FCA members are a great bunch of students who demonstrate leadership qualities to other students in the school, as well as others in the community." - Coach Suggett

FCA members sit in prayer at the "Meet Me At The Pole" ceremony.

Fellowship of Christian Athletes is a club designed to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church. This year, the FCA group participated in the homecoming and Christmas parades. Also, at Christmas they adopted a needy family and furnished them with necessary items as gifts. They

attended the FCA convention in Jackson in the spring. They held mug and T-shirt sales as fundraisers for the club. They had the "Coach with the Best-Looking Legs" contest to raise money for the needy family they adopted and to help the members of the club go to the FCA State Convention. Members agreed that the most fun activity they participated in this year was the Coach with the Best Looking Legs contest.

Jeremy Brown speaks at one of the FCA meetings that were held every Thursday morning throughout the school year.

"TSA has won many awards and achieved many goals. This success can be accredited to a hard working slate of officers, dedicated TSA members and the support of the E.C. administration and faculty. Each year TSA presents more of a challenge for technology education students and myself." -Mr. Randy Brown

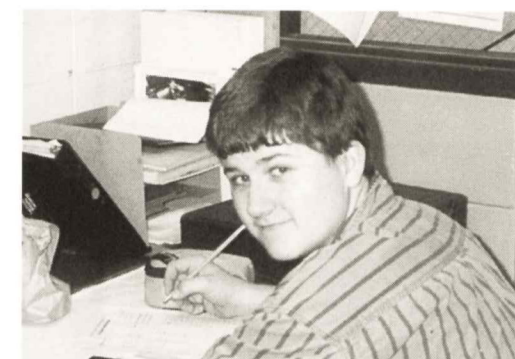

A brilliant group of state competitors at MSU.

T S A

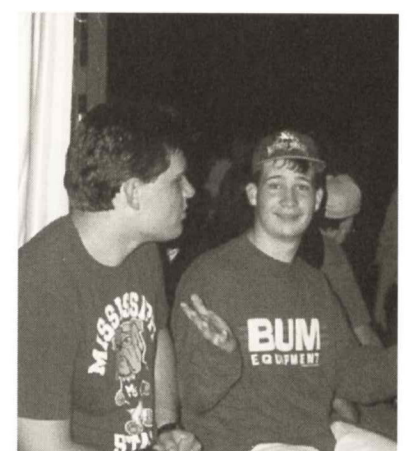

The Technology Student Association is a national student organization designed to provide the opportunity for students of technology education to develop leadership, knowledge, respect, motivation, and how to make choices. This year, TSA members sponsored the powder puff homecoming game and sold fruit and strawberries to help pay for regional and state competitions. Also, many of the TSA members participated in a bridge building contest held in Biloxi. Every TSA member and prospective member should realize that there is one prime benefit through TSA affiliation — OPPORTUNITY.

Future Farmers of America is an organization that develops the leadership, cooperation, and citizenship of teenagers involved in the program. This year, FFA students filled out a Supervised Agricultural Experience booklet which gave an extra half credit for work done outside school. Some students applied for proficiency awards. The FFA formed the Campus Beautification Committee to help keep our school looking good.

They also formed a Food For America Committee to implement the importance of America's food supply to children in the Elementary School. The East Central chapter also participated in National FFA Week. The FFA held bake sales, fruit, ham and turkey sales, strawberry, and fern sales. According to students, the best activity FFA has participated in this year was the FFA day at the State Fair in Jackson, Mississippi.

The 1992-93 FFA officers were: Ronald Shepard, Parliamentary; Regina Burbridge, Secretary; Will Coulson, Vice-President; Byron Johnson, President; Stephen Coleman, Advisor; Kyle Lyon, Sentinel; Christy Tanner, Reporter; and Rodney Boler, Treasurer.

"The best thing about the 1992-1993 Teen Connection club is that everyone in the club is so willing to help others." — Judy Raiola

"And secondly,..."

Teen Connection is a project of DREAM (Drug Research and Education Association in Mississippi). It was established to encourage groups to work for drug abuse prevention/awareness. Local groups such as C.A.T. (Chemical Abuse Termination) sponsor Teen Connection. The members must be positive role models and strive to stress the positive aspects of living drug/alcohol free. Officers of Teen Connection attend a conference each summer to obtain valuable

new information concerning drug awareness which they distribute to other members during the year. These officers work closely with the school principal and sponsors in order to provide activities and opportunities to gather in a drug free environment. The officers include: President- **Kathy Bond**; Vice-President- **Katie McMahon**; Treasurer- **Deanna Cox**; and Reporter- **Stacy Vaughn**. Mrs. Judy Raiola is the school sponsor.

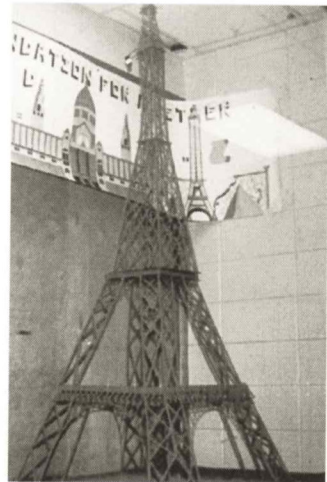

Teen Connection members listen attentively as another member speaks.

Members of Teen Connection met during break every Tuesday during the course of the year to discuss prevention of alcohol and drug abuse among teenagers.

Foreign Language Club

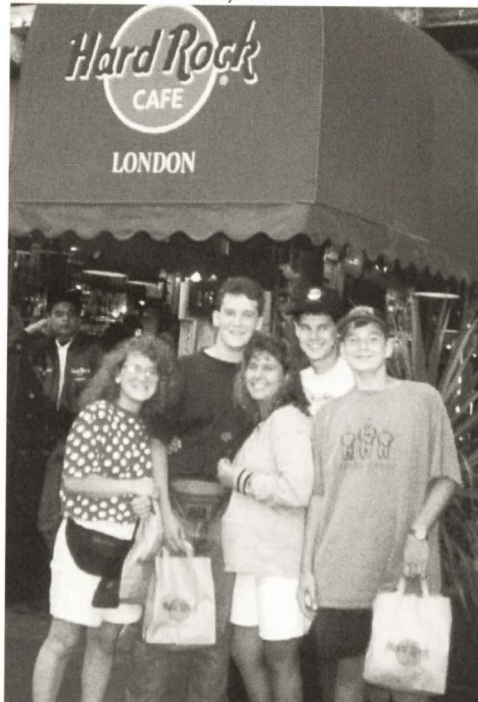

The Foreign Language Club is open to any student taking a foreign language. Its purpose is to help acquaint students with the customs and culture of foreign lands. One program that helps to promote this is the trip to Europe. The summer of '92 trip was the second trip abroad and the students enjoyed learning about the different cultures and customs.

When Patricia was asked about being chosen Miss ECMS she said, "To be chosen as Miss ECMS was a very big and special honor to me. I'd like to thank my teachers and especially my friends that made this achievement possible. I feel that it is a blessing of God to find favor with my friends and the faculty that I have received this memorable honor. I'll miss middle school but look forward to starting all over again in high school."

David Jones

"the experience of playing on the team with Coach Owens."-**Brian Knight**

"that it was a rewarding and exciting season."-

Where The World is an Open Book

We have a world of books—fiction books, non-fiction books, easy books, picture books, large print books, history books, books of every color, stripe and shape. But we have much more.

With your library card (original issued free), you can also check out: framed art prints, audio cassettes, videotapes, slide and 16 mm projectors, Polaroid cameras, and computer software.

Thanks to our on-line public access catalog, a computerized listing, updated daily, you can borrow on intra-library loan any of the nearly 200,000 items in our Jackson-George Regional Library system.

We also have plenty of answers. We have reference collections, access to computerized national data bases, microfiche copies of complete phone books for every major city in the United States, and local and national newspapers on microfilm and microfiche.

And if that isn't enough, we have telefax machines available for public use, paperback book swap shelves, copy machines, Dial-A-Story for children (769-3071), access to talking books, records and machines for handicapped persons, library service to the homebound, and car seat leasing.

Other services include use of our meeting room, personal computer for public use, and special programs like summer reading for children. Storytime for preschoolers is presented on Thursdays at 10 a.m.

We make every effort to meet your information and communication needs.

Congratulations Seniors!

For 65 Years, International Paper And The Gulf Coast Have Shared A Success Story.

International Paper came to Mississippi in 1928 when we purchased the Southern Paper Company in Moss Point. Out of this beginning 65 years ago has come a partnership

with the people of the Mississippi Gulf Coast that has meant jobs, opportunity and success.

But our ties to this area go deeper than economics.

Our employees, both active and retired, have a stake in this community. Many give their time and talent to a variety of volunteer efforts and to their churches. From community work, to the profound effect International Paper has had on public education, our company and

our employees are working hard to be the best kind of neighbors.

Our stake in this community also shows in the way we have managed our business — responsibly and diligently, and always with the knowledge that we operate with the *consent* of the community. We respect, and foster, the natural world around us. Last year, International Paper planted almost 4,000,000 trees on the Gulf Coast — one million of them in Jackson County.

Our children will inherit Mississippi. And as we celebrate 65 years on the Mississippi Gulf Coast, we're doing our part to pass on, and increase that inheritance.

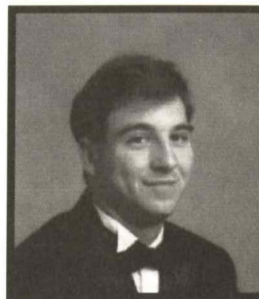

International Paper — *Roots As Deep As Your Own.*
